

BASEL COTTAGE HOLIDAYS

Booking Conditions:

The Owners are authorised to arrange and make bookings and reservations relating to the Property for the Guest. Each contract is therefore between the Owner and the Guest and is made at the point at which the Owner issues a booking confirmation. The person signing the booking form certifies that he / she is authorised to agree the booking conditions on behalf of all persons included in the party. The signatory must be a member of the party and must be over 18 years of age. All the individuals over the age of 18 who are named in the Booking Form are jointly and severally liable under these Booking Conditions with the person signing the Booking Form (or who otherwise makes the booking) as if they were together the Guest.

Deposit & Final Payment:

A deposit of 25% is required for each week of a proposed booking, or if the booking is for less than a week, 25% of the cost of renting the Property. Until this deposit is received by the Owner, any reservation is deemed provisional and may be varied or cancelled without prior notice. The balance is due 8 weeks before the first day of the planned holiday. No reminder will be issued and in the event that the balance payment does not reach the Owner by the due date, the Owner reserves the right to cancel and re-let the Property concerned. Failure to pay the balance in full by the due date will be deemed to be a cancellation of the booking. If the Guest makes the booking less than 8 weeks before the start of the planned holiday the full payment must be made and until it is made no booking confirmation will be issued. The receipt and banking of any deposit does not constitute an acceptance of any booking. **Deposits will not normally be refundable** unless the booking is not confirmed by the Owners for any reason. The price of renting the Property is listed on the Basel Cottage Holidays website. It should be noted that bank transfers from overseas normally incurs additional charges of approximately £20 and this will be payable by the Guest.

Cancellation Policy:

When a Guest makes a reservation at Basel Cottage the Guest is entering into a legally binding contract. In the event that the Guest is unable to take the holiday booked then the Guest will remain liable to pay the full letting charges for Basel Cottage (to the extent not already paid) on the due date for such payment. However, the Owners shall make all possible efforts to re-let Basel Cottage and if they can only re-let part of the reservation booked the Guest will be liable for anything unoccupied. If the Owners re-let Basel Cottage for the whole period of the cancelled stay, a refund of monies paid will be made **less** an Administration Charge for work involved in securing an alternative booking and taking into account any reduction in price that has had to be made in order to secure a replacement booking for that which has been cancelled.

Illness/Accidents/Bereavement:

Firstly, and above everything else, we urge ALL guests to buy appropriate travel insurance. We are not permitted to recommend individual insurers. Please carry out your own research, the 'Which' website may be a good place to start.

BASEL COTTAGE HOLIDAYS

In the event of a future national or regional lockdown we will offer you a transfer of dates or a full refund. In the case of a transfer of dates if the new dates differ in price to your original dates, you will be refunded the difference if your new dates are a lower price or be required to pay the additional cost if your new dates are a higher price.

If we are required to close by the Government, we will offer you a transfer of dates or a full refund. In the case of a transfer of dates if the new dates differ in price to your original dates, you will be refunded the difference if your new dates are a lower price or be required to pay the additional cost if your new dates are a higher price.

We cannot offer refunds for disinclination to travel. This means that if you change your mind for whatever reason and choose not to take your holiday, we cannot offer you a refund. Please refer to our standard terms and conditions regarding cancellation.

We cannot offer refunds for illness, accidents or bereavements. This means that you must claim on your own insurance. If you do not have insurance, please refer to our standard terms and conditions regarding cancellation.

We cannot offer refunds if guests cannot complete their stay, early departure does not warrant a rental decrease.

If a Guest is displaying signs of a transmittable virus whilst staying in Basel Cottage, they should inform the Owners. If a guest cannot reasonably return home (for example because they are not well enough to travel or do not have the means to arrange transport), their circumstances should be discussed with an appropriate health care professional and, if necessary, the local authority. If an infected Guest ends up staying longer in Basel Cottage, they will be liable to pay for all affected bookings as a result of their extended stay.

Unfortunately, we are unable to offer Cancellation Insurance. **Therefore, it is strongly advised that the Guest ensures that they have adequate insurance in case of cancellation**

Cancellation by the Owners:

If the Owner has to cancel a booking of the Property at any time after confirming a booking (e.g. because of flood or fire at the Property or any other damage to the Property) or should the Property be unavailable on the day that the holiday starts for reasons outside the Owner's control (e.g. failure of equipment or services serving the Property) then the Owner will endeavour to help the Guest.

- Identify an alternative local Property for the remainder of the original letting period (subject to availability); or
- a refund of part of the amount paid by the Guest to the Owner in relation to the relevant Property (which shall be calculated on a pro-rata basis proportionate to the number of days in respect of which the holiday letting is terminated). In such circumstances the Guest shall have no further claim against the Owners.

BASEL COTTAGE HOLIDAYS

The Guest should note that if the Owners support the move to an alternative Property (if one is available) this may be subject to an additional payment by the Guest (where the alternative Property is larger or has a superior banding than the original Property); moreover, the Guest must accept that any alternative Property will be different from the original Property and may not have the same facilities (or location) as the original. In no circumstances will the Owners have any liability to the Guest if the Guest is unable to obtain access to the Property (whether at the start of or at any time during the booking period) due to travel or transport difficulties (including, but not necessarily limited to, adverse weather conditions). Guests should be aware that Basel Cottage is 150 metres off the main road along a private drive and this may make it difficult to reach in extreme winter conditions. The Guest will have no right to cancel the Booking (and will have no claim against the Owners) if it is unable to access the Property in such circumstances.

Force Majeure:

We cannot accept liability or responsibility for any alterations, delay or cancellation or any other loss or damage caused by war, civil strife, terrorist action, industrial disputes, fire, sickness, bad weather, livestock, epidemics, pandemics, acts of any Government, or public authority, changes imposed by re-scheduling of airlines, ferries or any event outside our control.

Guest's Responsibilities & Obligations:

The Guest (here meaning all of the persons over the age of 18 listed on the booking form) agrees:

- (where applicable) to pay for all electricity, fuel and telephone charges incurred during their stay to include any EV Charging undertaken at the Property.
- to pay for any losses or damage to the Property or contents (including the soiling of carpets and soft furnishings) however caused (reasonable wear and tear excluded). This might include, but is not limited to: Damage to soft furnishing / bedding arising from use of beauty products such as hair dye, suntan lotion etc. or damage to furniture / fittings arising from improper use of the wood burner / oven / electric hob etc.
- to take good care of the Property and leave it in a clean and tidy condition on departure
- to permit the Owners reasonable access to the Property
- not to part with possession of the Property or share it except with the other members of the party listed on the booking form, unless by prior arrangement with the Owners
- under no account can the prescribed number of persons per Property be exceeded. The Owners reserve the right to decline bookings of large single sex groups (i.e., hen / stag parties) where deemed appropriate and requests full details of such parties in writing. In some cases, a refundable bond may be required by the Owners.
- to report any damage or breakages to the Owners as soon as they can (so that the Owners can make arrangements for their early replacement or repair)

BASEL COTTAGE HOLIDAYS

The Guest shall be responsible for any damage caused to the Property or its contents by any act, default or neglect of the Guest or member of the Guest party and shall pay to the Owners on demand the amount required to make good or remedy any such damage. If damage occurs to the Property as a result of the actions of Guests during their stay, where the extent of that damage is so severe that the Owners must (in their sole opinion) cancel and/or refund subsequent bookings, the Owners may bring a claim against you for any loss arising as a result, including the cost of refunding other guests affected by cancelled Bookings and any additional administrative fees incurred in respect of the same. The Owners reserve the right to send an invoice for the amount to the Guests' address.

The Guest must let the Owners know of any special requirements at time of booking. If the Guest or any member of the Guests' party has any medical problem or disability that may affect the Guests' holiday, the Owners must be notified before confirming the holiday and follow up with written details. If the Owners feel unable to properly accommodate the particular needs of the person concerned the Owners reserve the right not to accept the booking. Guests are urged to read the Access Statement for Basel Cottage. If the Guest advises the Owners of any special requirements after the booking is made and the Owners are unable to accommodate the particular needs of the person concerned, the Owners do not guarantee a refund of the amount paid by the Guest to the Owners.

These times have been set to ensure adequate time for cleaning. Complaints:

Any complaints should be directed in the first instance to the Owners who will endeavour to put matters right straight away.

Liability & Property Descriptions:

The description of Basel Cottage is accurate at the time of going to press and is done in good faith. Where any information on advertising websites refers to matters beyond the Property (e.g., local facilities / bus routes and timings for example), the Owners do not guarantee their continued existence or the accuracy of any of the details about them contained on the websites.

The Owners do not accept responsibility for any act, neglect or default on the part of the Owners or any other person not within the Owners' employ or otherwise under the Owners' control, nor for any accident, damage, loss, injury, expenses or inconvenience whether to person or property which the Guest or any other person may suffer or incur arising out of or in any way connected with the rental unless the Owners are directly responsible. Nothing in these conditions excludes or limits the liability of the Owners:

BASEL COTTAGE HOLIDAYS

- (a) for death or personal injury caused by the Owners negligence;
- (b) for any matters in respect of which it is illegal for the Owners to exclude or attempt to exclude their liability.

The validity construction and performance of this contract shall be governed by English and Welsh Law and the Guest hereby submits to the exclusive jurisdiction of the English and Welsh Courts.

The charging of E-Bikes on site is prohibited but this can be conducted locally at Llandovery Leisure Centre. Storage of E-Bikes on site is allowed and discussions with Guests will take place with the Owners prior to arrival with reference to the risk of fire associated with the batteries of such E-Bikes.

Country Life:

Occasionally Guests from more urban areas, who are unaccustomed to country life, are surprised to find spiders, flies, woodlice, ants, wasps, bats and the occasional mouse in some properties. There could be badgers or foxes in the garden and even an occasional bat flying around on summer evenings. The Owners endeavour to make sure these are kept away but in old rural properties such as Basel Cottage, the Owners cannot guarantee that these insects or wildlife won't turn up, even though the Property will have been thoroughly cleaned. Please contact the Owners if any major problems arise.
